
IVC EXPORT STATEMENT

It is the policy of International Veneer Company, Inc. (“IVC”) to comply with U.S. export control laws. Veneer and logs supplied to our customers is not assigned an Export Control Classification Number Company and is considered EAR99 according to the United States Department of Commerce. Thus, any such export is controlled by the Export Administration Regulation (“EAR”) and the Office of Foreign Assets Control Regulations (“OFAC Regulations”). IVC will comply with the EAR and OFAC Regulations in the export of veneer and logs. We have implemented an Export Compliance Program, which includes a written handbook as well as annual employee training. IVC’s Export Policy will facilitate our continued success as a premier exporter of veneer and logs.
